Subject: Provision of Oxygen Concentrators to different Health Institutions/Medicare Care Centers.

Sir,

With reference to the subject above, it is to mention that a consortium NGO is willing to provide Oxygen Concentrators on CSR basis directly to the Health Institutions/Medical Care Centers against number of available hospital beds which can be converted to O2 beds. In this regard, it is required to fill the Google Sheet (Health Institution wise/Medical Center wise) as detailed in the link <https://self4society.mygov.in/collector/>.

The sheet is to be filled by the Deputy Commissioner of the districts only using Govt. email id. A single Point of Contact (SPOC) is to be assigned, who should be able to take the calls and co-ordinate on the logistics.

Hence you are requested fill the form as soon as possible so that Assam can avail the opportunity to enhance the O2 beds capacity and ensure oxygen facility to the COVID affected patients

Yours sincerely,
